A Note From The Commanding General, III Corps and Fort Hood And Command Sergeant Major, III Corps and Fort Hood

Greetings Retired Soldiers and Families,

Once a Soldier - Always a Soldier - Soldier for Life! This motto reflects every military retiree's character and loyalty to our great country. You have left a great legacy for our young men and women to follow. We want to extend our thanks to you for your continued support and service. Your individual and collective contributions to our Army Family are immeasurable. As military retirees, you understand both the honor and the sacrifice which comes with service to the Nation. As veterans, you have a clear understanding of the sacrifices our country calls upon our military service members to make. You and your Families are valued members of our community and add immensely to its uniqueness and strength. This current generation knows it owes all of you a debt of gratitude and is repaying it by their gallant service today. We thank you for forging the path for our military currently serving to preserve our freedom that you also so fervently defended. We clearly stand on the shoulders of great Americans, and we salute you today and every day.

On 27 and 28 October 2017, Fort Hood will open its gates to all military retirees, their Families, and survivors to show our appreciation for your great sacrifices, dedication, and for all you have given and continue to give. Eligibility for the TRICARE Retiree Dental Program includes “gray area” retirees

The TRICARE Retiree Dental Program (TRDP) is available to all military retirees (**including “gray area” retirees under age 60**) and their eligible family members, unremarried surviving spouses and their eligible children, as well as Medal of Honor recipients and their eligible immediate family members. The program covers cleanings, exams, fillings, root canals, gum surgery, oral surgery and dental accidents on the first day that coverage becomes effective; after 12 months of being in the program, it then covers crowns, bridges, partials, braces and dental implants. *(New retirees who enroll within four months after retirement from the Uniformed Services or transfer to Retired Reserve status are eligible to waive the 12-month waiting period for major services; supporting documentation is required)*

The TRDP provides every enrollee an annual maximum of \$1,300 per person, a \$1,200 annual maximum for dental accidents and a \$1,750 lifetime maximum for orthodontics. It is important to note that the money that the TRDP pays out for preventive and diagnostic services doesn't count against the annual maximum - those benefits are in addition to the \$1,300. Retirees can find more information on the program, as well as enroll 24/7/365, online by visiting trdp.org.

TRDP enrollees realize the maximum program savings (an average of 22%) when seeing a network provider. To find a network provider, as well as utilize the **Consumer Toolkit** to view processed claims, see annual maximum information, sign up to receive paperless Explanation of Benefits and more, please visit trdp.org. You can also obtain more information by contacting Joe Montoya at jmontova@delta.org

Farewell to My Retired Family

OFFICIAL BUSINESS

THE ARMY RETIREMENT SERVICES EMBLEM:

LEGEND: The time-honored seal of the Department of the Army represents the Army and its traditions. The annulet, symbol of completeness, stands for the completion of military service. The color of the annulet is olive drab in reference to the basic color of the Army field uniform and equipment. Stars are a national and military symbol. They are used on the coat of arms and the seal of the United States, as an identification of the United States on military equipment and on flags of Army officials as well as an insignia of rank for general officers.
