Families

From the Desk of Sheila R. Curtis

Chief of Child & Youth Services

Parents - we at CYS want you to know we are making the leap back into the school year right along with you! Our programs have been working hard to ensure this will be the BEST year for your children, with lots of fun, learning, growing and creating. Regardless of your child's age, CYS offers curriculum and programming to help children and youth reach developmental milestones and acquire life skills through creative and engaging activities tailored to the needs and interests of the individual.

Teaching Strategies Gold is a pioneering and efficient curriculum utilized in CYS Child Development Centers. It connects Families and child care programs to the everyday development of the child and promotes early education and preparation for school readiness.

School Age and Youth programs school age and youth programs concentrate efforts on enhancing academics and life skills through programming that focuses on five core content areas (Sports, Fitness & Recreation Health, Wellness & Life Skills, Educational Support & Career Development, Character & Leadership Development and the Arts). School age youth and teens are able to engage in team sports and gain foundational skillsets, as well as opportunities to participate in instructional programming. Youth also develop resiliency skills and life skills through social interactions and simulations and can acquire gourmet cooking and sewing skills. Youth go on college trips, participate in the Teen Chain of Communication and community service activities to prepare for a future as well rounded, productive young men and women.

Parents have an opportunity to influence their child/youth's programming by participating in the Parent Advisory Board. Contact your center for meeting dates and times.

We thank you for the opportunity to be part of your child's growth and development.

Sincerely,

School Liaison Office

It's Back to School Time!! The Fort Cavazos School Liaison Officers (SLOs) are excited and ready to welcome students back for the 2023-2024 school year. We are specialists in assisting and updating parents on any educational or academic needs for the Fort Cavazos area. The SLOs have information, resources, and any support you may need to ensure your students have a successful and positive school year. The SLOs work with the nine school districts surrounding Fort Cavazos, to include Belton, Copperas Cove, Florence, Gatesville, Jarrell, Killeen, Lampasas, Salado, and Temple Independent School Districts.

The SLO office assists Military Families by supporting a seamless transition into our local school districts. The Youth Sponsorship Program (YSP), provided through the Child & Youth Services (CYS) School Age Care (SAC) and Youth Centers, allows transitioning students to connect with a local child or youth with similar interests and hobbies. This ensures an easier transition and a great way to begin making friends. Each School Age Care site and Youth Center also schedules exciting educational events and activities monthly. Please refer to this booklet and your area SAC and Youth Center location for more information.

The SLO office assists the area Home School Families with information and resources for their needs. Our partnerships and connections with organizations and resources in the area provide innovative learning opportunities. We send out emails to share area opportunities and activities. If you would like to be included on our email list, please come by our office to complete a form. We also sponsor a Resource Fair twice a year to ensure Home School Families are familiar with the resources available on Fort Cavazos and the surrounding communities. The Fall Home School Resource Fair will be held at Bronco Youth Center on Friday, 8 September 2023 from 12:30 p.m. - 3:30 p.m.

While CYS SLOs are not advocates, they are here to inform and link military Families to the individual, group, or other resource that can hopefully address and resolve the issue. They also provide necessary tools to empower parents to be advocates for their children's education.

For assistance, please call the CYS School Liaison Office at (254) 288-7946, email usarmy.hood.imcom-fmwrc.mbx.slo@army.mil, or visit in person at Bldg. 36000 Shoemaker Lane from 7:30 am - 4:30 pm on Monday - Friday.
