## Healthcare Delivery Update

The **CDC** recommends the updated 2024-2025 COVID-19 vaccines and the updated 2024-2025 flu vaccines to protect against severe COVID-19 and flu this fall and winter.

It is safe to receive COVID-19 and flu vaccines at the same visit. Data continue to show the importance of vaccination to protect against severe outcomes of COVID-19 and flu, including hospitalization and death.

### Catch-up Vaccination Schedule

Make sure that your child sees their doctor for well-child visits and recommended vaccines.

# Community Services Council Meeting 25 September 2024

## Program Initiatives

The Resident Advisory Board (RAB) provides residents the opportunity to engage their community and positively affect quality of life of families living within Cavalry Family Housing (CFH). Resident representatives have an opportunity to share their ideas and suggestions, express their concerns, and work with CFH to develop solutions. Residents are encouraged to share ideas and suggestions with their RAB representatives.

The RAB currently has 27 members throughout each of the 11 communities on Fort Cavazos. The membership has a diverse mix of ranks, civilians, ages, and genders.

**ACL festival brings electric atmosphere**

**BY SANDRA BRADY**  
 About 100,000 fans have flocked from across the region to the ACL festival, which is the largest music festival in the world. The festival, which was produced by "Nashville" and "American Idol" host Ryan Murphy, is a multi-day event that features a variety of music genres, including country, rock, and pop. The festival is held at the ACL Live at the Starline in Austin, Texas. The festival is a major event for the city and is a significant source of revenue for the local economy. The festival is also a major attraction for tourists and is a key part of the city's cultural scene.
