Fort Cavazos *CYS Families, Staff, and Volunteers*

Summer is just around the corner, and with it comes an array of exciting opportunities for children and teens to explore, learn, and grow through Child and Youth Services. For parents looking to enrich their child's vacation period, our summer camps serve as a perfect platform. Tailored to cater to school-aged care from kindergarten through 5th grade, and youth from 6th to 12th grade, these camps are brimming with adventure and character-building experiences. Each week presents a new theme packed with field trips that will broaden young horizons, alongside community service events designed to instill a sense of civic responsibility and altruism in the participants. It's not only about fun; it's about shaping well-rounded individuals who understand the value of giving back to their communities.

But that's not all, we're raising the game with a variety of sports aimed at keeping kids active and engaged during the summer months. From the thrill of scoring a goal in soccer to the strategic plays in flag football, there's something for every young athlete. Volleyball serves up teamwork and coordination, while cheerleading promotes fitness and spirit. For those who prefer the controlled pace and precision of basketball, dribble and shoot your way through summer with

our inclusive and skill-building sessions. Regardless of the sport your child is interested in, our programs emphasize fun, fairness, and personal development, providing a supportive environment for children of all ages.

The fun doesn't stop there, as Child and Youth Services has curated a kaleidoscope of invigorating activities that entertain and challenge. Our activities are crafted to foster a summer of discovery and creativity, ensuring that every child has the opportunity to thrive and enjoy their time to the fullest. It's not just about occupying the summer months but about enriching them with experiences that spark joy and create lasting memories. With inclusive programs designed for all ages, children and teens can immerse themselves in an environment that celebrates their individuality and encourages their potential. Join us this summer for an exceptional blend of excitement, learning, and growth, where every day is a new adventure, and every activity is a step towards a brighter, more engaged future.

Make *CYS* a part of your Family's summer plans today. We stand ready to support you and your Family!

Sincerely,

Sheila R. Curtis

The School Liaison Office

School will be dismissed for summer break soon!! Students may think it's time to forget about school and take a hard-earned break to have fun. Allowing your student(s) to just "chill and hang-out" with friends could cause them to

Fall Victim to "Summer Slide"

or the loss of knowledge and skills acquired during the school year. Students who do not stay engaged in summer learning can lose on an average of two months' worth of grade-level math, reading and writing skills during summer break.

Summer is the perfect time for students to discover that learning and education is not limited to the classroom. Child & Youth Services (CYS) can support and assist with this since they offer interesting and enriching summer activities to keep students of all ages engaged in learning through new experiences,

fun activities, making new friends and adventures.

School Aged students can be enrolled in summer camp that includes weekly field trips and interesting activities packed with engaging experiences and fun. They will be having so much fun they may not even realize they are learning and reinforcing skills developed during the school year. Summer is the perfect time for middle and high school students to explore personal skills, career, and college interests. CYS Youth Centers offer summer College and field trips, giving students an in depth look at opportunities offered at our area communities. Students can also take advantage of volunteer opportunities, learn about resume building and using new experiences to broaden their skills. Check with the School

Age Centers and Youth Centers to get a schedule of activities including field trips and events for the summer months.

If you are interested in more information on what is available in the area for your students and preventing the "Summer Slide" call the CYS School Liaison Office at (254) 288-7946, email usarmy.Cavazos.imcom-fmwrc.mbx.slo@mail.mil. You can also stop by our offices in person at the Shoemaker Center (Bldg. 36000 Shoemaker Lane, Suite 101). Office hours are Monday through Friday 0730-1630.

Are you concerned about your child's education and ensuring a smooth transition for each upcoming school year and any future PCS? Then Go to the SLOs!

The CYS SLOs are the Army's designated "point person," responsible for serving as the liaison between Families, local school districts and various other community partners in education to promote quality education and academic support for military children and youth. They provide information on the education process and assist parents in maneuvering through the school system. While CYS SLOs are not advocates, they are here to inform and link military Families to the individual, group, or other resource that can hopefully address and resolve the issue. They also provide necessary tools to empower parents to be advocates for their children's education.

For assistance, please call the CYS School Liaison Office at (254) 288-7946, email usarmy.cavazos.imcom-fmwrc.mbx.slo@army.mil, or visit in person at Bldg. 36000 Shoemaker lane from 7:30 am – 4:30 pm on Monday – Friday.
